

A Trip To Finland

Tiffany Galea

On my way to Finland

- 👍 We took the ferry in the afternoon and went straight to the airport.
- 👍 First we went to Frankfurt, Germany.
- 👍 Then we went to Helsinki, Finland.
- 👍 A van was waiting for us in front of the airport.
- 👍 It took us near the host families' houses.

Sunday

- 👍 We arrived there at around 2 am in the morning while everyone was sleeping.
- 👍 My host family was waiting for me. We all went to sleep because it was a very long trip to arrive there.
- 👍 I woke up and we went to school because there was a bake sale.
- 👍 I won a selfie stick from the spin the wheel.
- 👍 At around 9am we went hiking in the woods with Jenny's class.

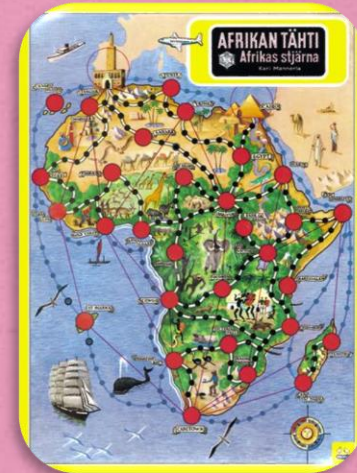

Monday

- 👍 I woke up and went to school.
- 👍 We had a welcoming party where they gave us traditional stuff.
- 👍 When we went back home, we went to the store.
- 👍 Later we went out with Haley and Maria.
- 👍 We went to one of the largest libraries in Helsinki, and then we went to eat at Burger King.

Tuesday

- 👍 I went to school and when I was done, I went to Jenny's piano lesson.
- 👍 After that we went to Haley's house and we watched a film called Christmas Chronicles.
- 👍 Then we played a Finnish game called African Star and I really liked it.
- 👍 We ate some gingerbreads while we were playing.

Wednesday

- 👍 We went to school and presented our powerpoints.
- 👍 I talked about San Lawrenz and Nadur.
- 👍 After school Jenny and I went out with Haley and her host family.
- 👍 We ate at Hesburger and then we went to the Christmas Market and the Christmas Window.
- 👍 Then we went on the tram to go back home.

Thursday

- 👍 After school, Haley and I went to one of the largest shopping malls in Finland.
- 👍 I bought a lot of clothes.
- 👍 Then we went bowling.
- 👍 After that, we went in a train to get to Mc Donalds.
- 👍 When we went back home, I started packing up my things since it was my last day.

Friday

👍 I left at around 3 am to get to the airport.

👍 First we went to Munich, Germany.

👍 Then we went to Frankfurt, Germany.

👍 And finally we arrived back in Malta.

👍 We went on the ferry and in a few minutes we were back at our home sweet home.

I really had fun and I will definitely
cherish it my whole life.
